

PORT - Insulated Containers

1 x 20' (A Grade) Insulated container

POA

1 x 40' HC (A Grade NOR) Insulated container

POA

Excellent condition, repaired and touched up if required, weatherproof, lockable, vermin proof, structurally sound with serviced door hinges and lugs (Non Operational Refrigeration Unit).

NOR's once where refrigerated containers. When the containers refrigeration machinery is deemed as unsuitable for refrigeration purposes, it's then utilised as an NOR.

- NOR's are great for storage when you require a cooler ambient temperature.
- NOR's have 60mm insulated walls, roof and doors
- Stay up to 15 degrees cooler in the hotter months.
- Have a stainless steel interior, suitable for wet product storage
- Constructed from stainless steel and alloy so don't rust.

Delivery

The team at Port Container Services can also arrange your container delivery.

We have the largest range of Self unloading transport options available. Hi-Ab, Side Loader, and Tilt Tray. If your site requires we can even deliver your container with a flat bed trailer and then unload and position your container with one of the many different size cranes available.

We deliver Australia wide anywhere, anytime. We will need to ask you a couple of quick questions, so we can help make your delivery process run as smoothly as possible.

1. Where would you like your container delivered?
2. What is the access to your site like?

PORT Container Services guarantee all products supplied with a money back guarantee.

Please call the team today to discuss all of your delivery options: **1300 793 668**
