

LUNCHROOM CONTAINERS

Lunchroom / Cribroom Containers

Lunchroom containers, also known as 'cribrooms', are another specialised product developed by Port Container Services. These modified shipping containers are usually insulated and fitted with fixed tables and chairs, kitchenettes, electrical outlets and lighting. They are perfect for construction sites or anywhere that staff need a portable lunch room area to eat or rest.

Our lunchroom containers can be built to your specifications and include:

- 20' unit or 40' units available
- Insulated panels (optional)
- Fixed tables and benches
- Kitchenette
- Electrical fitout
- A range of additional accessories available
