

MODIFIED CONTAINER RANGE

Lunch Room Containers

Lunch room containers, also known as 'crib rooms', are another specialised product developed by Shipping Containers Australia. These modified shipping containers can be insulated and fitted with fixed tables and chairs, kitchenette, electrical outlets and lighting.

They are perfect for construction sites or anywhere that staff need a portable lunch room area to eat or rest. Our lunch rooms can be custom designed to suit your requirements, and can be built in a range of sizes.

For more information give us a call, our advisors would be more than happy to assist you with your design.

- Facilitate your staffs needs during breaks
- Vermin-proof
- Wind and water tight
- Lockable - extremely secure
- Transportable / relocatable
- Large range of accessories available
- Built to your requirements
- In house engineering and production team
- Ready for immediate use on delivery

Example of a Lunch Room Container
