DESIGN YOUR OWN WORKSHOP

Shipping Containers Australia specialise in custom made workshops built to your requirements. With a large range of accessories, we can create the ideal workshop solution for your needs. Available in 10', 20' and 40' sizes, simply sketch in your required accessories in the diagram below and fax it to us so we can quote you on your design. Alternatively, we have included some designs of our most popular workshops on the previous pages of this quote.

For more information, please contact our sales team on 1300 284 896.

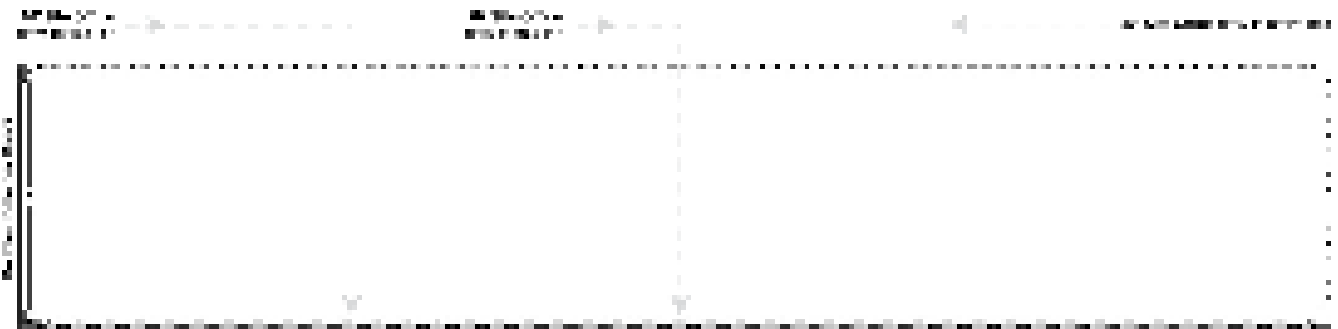

Design Your Own Workshop

1 Pick your container size: 10' 20' 40'

2 Mark your Inclusions (mark with "x" and add Qty):
